Code of Conduct

Policy statement

To provide a clear framework within which staff, volunteers, visitors and families who use our preschool are expected to conduct themselves. Chieveley Pre-School (CPS) strives to maintain a work environment for its staff and a learning environment for its children in which honesty, integrity and respect for others, is constantly reflected in personal behaviour and standards of conduct.

Who must follow our code?

Our code of conduct applies to all staff, volunteers, visitors and families who attend CPS. We are governed by our preschool constitution which is agreed by our committee and guides our decisions and systems of organisation. **A copy is kept on our website, in our visitors 'sign in' book and our notice board for all to see.**

Principles

- You are expected to have regard for the impact of your personal behaviour on CPS, staff, children, the environment and our community.
- CPS receives income from public sources, fundraising and from children's families. It is essential that all these stakeholders can have confidence that CPS maintains the highest standards of conduct in financial matters and seeks to maintain ethical behaviour.
- Decision making is open and fair in accordance with our Constitution

Standards of Personal Behaviour

Equality of Opportunity – we promote inclusivity and value diversity. CPS seeks to ensure that the preschool setting is supportive, and one where individual respect is shown to all. All children will be encouraged to perform to their potential, regardless of their background. See Valuing Diversity and Promoting Equality policy.

Harassment and Bullying – CPS are committed to ensuring that everyone is able to participate in the life of the preschool without concern for harassment, bullying or intimidation. Everyone in CPS must ensure that their own behaviour (intentional or unintentional) does not constitute harassment. CPS will take action against inappropriate behaviour.

Health and Safety – all activities should be undertaken with the highest regard for the health and safety of those affected. You agree to have read and understood the Health and Safety
